“Confidential Economical Ecological”

The Benefits of Secure Disposition

Co-Presenters:

Tony Atkins, CDIA+ BPM^P

Senior Business Development Executive

Iron Mountain Information Management

and

Margaret Meier, CSDS

President, UltraShred Technologies, Inc.

Tony Atkins and Margaret Meier will discuss how your company can reduce the carbon footprint, conserve landfill space, preserve trees, save gallons of water and electricity, reduce storage costs while simultaneously providing confidential, privacy compliant disposition of records in all formats and media – electronic, paper, laptops, film, tapes, etc. Learn what “SITAD” Secure IT Asset Destruction is and how it can benefit your records management program.

Guest speakers Dan Durbec, City of Jacksonville, and Sheri Nicholson, New Age Hippy, will share details on the upcoming Community Shred Event **America Recycles Day – November 15!**

President's Message October 2018

Kick-off complete – ARMA Jacksonville Chapter is on the field, 1st & goal!

Thank you, Members and Board, for attending last month's meeting to kick-off the ARMA JAX Chapter season! Thank you, Michael DeVanna, MLS, CRM, for presenting on "The Value of Being a Certified Records Manager!" Michael discussed the marketability, supply and demand, value, and ROI of certification: "There are, at present, 37 active CRMs in Florida." Michael also shared how to achieve Certificate Records Analyst and/or Certified Records Manager status. From Michael's encouraging and enlightening presentation, a Study Group was born – Members are welcome to join Michael and six students (thus far) every other Saturday 11:00 to 12:00 at the Southeast Regional Branch Library, 10599 Deerwood Park Boulevard. NOTE: Next Study Group meets this Saturday, October 20. For those of you were not able to join us, Michael's presentation will be on the Chapter's website shortly (thank you, Cheryl).

On behalf of the Board, we cordially invite you to join us for October's presentation "Confidential Economical Ecological: The Benefits of Secure Disposition." Margaret Meier, President of UltraShred Technologies, Inc., and myself will discuss "SITAD" Secure IT Asset Destruction, confidential (privacy and compliance), ecological (conservation and preservation), and economical (costs reduction) of records disposition. Guest speakers, Dan Durbec of the City of Jacksonville and Sheri Nicholson of New Age Hippy, will share details on next month's community shred event – *America Recycles Day!*

For more information on *America Recycles Day!* and upcoming meetings and events, please visit <https://jacksonvillearma.com/index.php>. Again, I'm honored to represent you and our Chapter and welcome your ideas on how we can grow our Chapter, develop our members and better serve our businesses and community. Please do not hesitate to contact me directly at ar-mapresident@gmail.com. If your membership has lapsed, we hope you will re-join the ARMA Jacksonville Chapter at <https://jacksonvillearma.com/Join Our Chapter>.

Looking forward to seeing you at an upcoming Chapter meeting!

Volunteers Needed

We're looking for a few good people who don't mind volunteering some of their talent and a little time to help the Chapter.

The areas we need help with are:

Cub reporters: current events, timely info for newsletter/webpage.

Welcome committee: be a greeter at our meetings and make guests/members feel welcome!

We are a small but dynamic chapter and we are growing... Please reach out to me or any of the other Board members if you can share your talent.
