Address: 637 N. Lee Street, Jacksonville FL 32204

What: Understanding Cloud Technology Presentation

Who: Edward Craig

Invite: Jacksonville ARMA members and guests

RSVP to [Michelle Radar](#) by 9/11/19

Understanding Cloud Technology

Presentation by Edward Craig
Cloud Infrastructure Architect

What is Cloud computing, migration, configuration? What are architecture roadmaps? What is the difference between data architecture, application architecture, network architecture, infrastructure architecture, business architecture?

Please join us as Edward Craig will discuss cloud service platforms and how to transition to a cloud environment, as well as the resiliency and scalability of hybrid cloud solutions.

Edward Craig manages and guides entire IT Architectural Engineering/Operations teams toward innovative revenue generating business solutions for a more enhanced customer experience within all IT platforms. He effectively introduces business analytics, digital and mobile solutions to cut business and liability costs; plans and orchestrates entire Data-center remediation projects including re-architecture and relocation (\$4 million-dollar project), while also leveraging cloud-computing platforms and technologies for lower-level environments/disaster recovery (DR/BCP) solutions to minimize datacenter footprint.

Mr. Craig has served in Iraq, U.S. Naval Service in classified information systems. He is a member of the CIO Executive Council and a Microsoft Certified Systems Manager.

Lunch will be served. Please note that a "no-show" RSVP will be charged the full fee.

President's Message September 2019

President's Message

Welcome to the start of the 2019-2020 ARMA Jax year! We've got big things planned for the year ahead, so please make sure your membership is up-to-date and check your inbox and our website frequently as we reveal plans for our "small but strong" chapter. This year, we've got plans in the works to take part in presentations on pressing matters such as records in the cloud, privacy, compliance, we'll be visiting the Cumer Museum's records department, and we'll help build community relationships by participating in Making Strides Against Breast Cancer and America Recycles Day.

We invite anyone to submit proposals for speakers, panels, and workshops. Have a great book you recently read? Why not give a short presentation on it at the monthly meeting? Do you know someone with expertise in an area that Records Professionals could use a refresher course in? Please invite them to share! Do you have two people with completely opposing viewpoints regarding a hot topic? We could try a panel discussion to weigh in on the pros and cons to make the best decisions for our companies.

Our next monthly meeting will be September 12, 2019. Edward Craig is going to present on Records in the Cloud.. Please join us in the conference room at Community First Credit Union at 637 North Lee Street Jacksonville, FL to get a primer on cloud service platforms & how to transition to a cloud environment, as well as the resiliency and scalability of hybrid cloud solutions.

Finally, we are proud to share presentations recently given by our ARMA Jax members! Carole LaRochelle presented at the IAPP's Global Privacy Summit on how the PGA Tour is addressing privacy concerns. You can watch the entire webinar here [link] or read a recap here [link].

Let's make it a banner year for ARMA Jax!

Tony Atkins CDIA+ BPM
President, ARMA International Jacksonville, FL Chapter

PS – Remember, if your membership has lapsed, we encourage you to [rejoin](#) the ARMA Jacksonville Chapter.

SAVE THE DATE:

Thursday, October 17

Volunteers Needed

We're looking for a few good people who don't mind volunteering some of their talent and a little time to help the Chapter.

The areas we need help with are:

Cub reporters: current events, timely info for newsletter/webpage.

Welcome committee: be a greeter at our meetings and make guests/members feel welcome!

We are a small but dynamic chapter and we are growing... Please reach out to me or any of the other Board members if you can share your talent.

Welcome to Michael and Liz!
We are thankful for you!
